### Murder/Suicide

Last night at approximately 9:30 PM officers were called to the scene of a homicide on Meyers Lane in Des Allemands, Louisiana. On the scene officers located the body of Santana Marshall, a 25 year-old female of Des Allemands. Marshall appeared to have suffered a gun shot wound to the head and chest and was pronounced dead on the scene.

During the investigation officers learned that Curry Lewis, a 39 year-old Hahnville Man had showed up at Marshall's residence and ordered her out of her vehicle at gunpoint as she pulled into her driveway. Lewis then allegedly shot Marshall two times, and then fled in the victim's vehicle. After fleeing the scene, Lewis contacted a family member stating that he had just killed Marshall and was then going to kill himself. A short time later, officers located Lewis and the victim's vehicle on Levee Road in Des Allemands. Lewis was found with what appeared to be self inflicted gun shots wounds under his chin and possibly three shots to the body. Lewis was also pronounced dead at the scene.

Marshall and Lewis had dated in the past.
