### **SUBJECT JUMPS OFF LULING BRIDGE**

At approximately 9:50 AM this morning an officer crossing the Luling Bridge noticed a vehicle stopped at the top of the bridge. As he approached the vehicle, the subject jumped on to the railing of the bridge. The officer attempted to talk the subject down for several minutes, to no avail. The subject jumped and was immediately recovered by river boat traffic in the area.

The victim's name is not being released at this time.

Both sides of the I-310 Luling Bridge have been re-opened.
