National Prescription Drug Take-Back Day

The St. Charles Parish Sheriff's Office will once again participate in the National Prescription Drug Take-Back Day. The Drug Enforcement Administration (DEA) has scheduled this event to take place on Saturday, October 26, 2013, from 10:00 AM – 2:00 PM.

The purpose of this event is to allow citizens to dispose of prescription drugs that may be expired or not being used for whatever reasons. The St. Charles Parish Sheriff's Office collected approximately 9 pounds of prescription medication during the drug take-back day held in 2012.

The drop off site for St. Charles Parish will be located across the street from the West Bank Bridge Park at the over-flow parking lot (adjacent to the levee). Should you have any questions regarding this event, please contact Sgt. Dwayne LaGrange with the St. Charles Parish Sheriff's Office at 985-783-1355.
