Sheriff Greg Champagne is excited to announce that the St. Charles Parish Sheriff's Office has received grant funding through the Louisiana Highway Safety Commission (LHSC).

This funding helps the St. Charles Parish Sheriff's Office to continue additional traffic safety enforcement activities from October 1, 2023 through September 30, 2024. These activities include participation in nationally recognized campaigns that promote using a seatbelt, decreasing distracted driving, and encouraging driving sober.

We are honored to participate in the additional traffic safety enforcement activities throughout the year and strongly feel that with each campaign, we are helping to make the citizens of St. Charles Parish that much safer.
