Click It or Ticket

During the Thanksgiving holiday, about 10,000 law enforcement agencies nationwide will be out on the roads to remind drivers and passengers to buckle their seatbelts.

During the busy Thanksgiving weekend, millions of Americans will hit the roads, eager to spend time with family and friends. It's one of the busiest travel times of the year, and it is important to follow critical safety practices when traveling, like wearing your seat belt.

In 2021, there were 26,325 passenger vehicle occupants (in passenger cars, pickup trucks, vans, or SUVs) killed in traffic crashes in the United States. Half (50%) of those who were killed were not wearing seat belts. (Information taken from NHTSA.GOV)

The St. Charles Parish Sheriff's Office will partner with the National Highway Traffic Safety Administration for the "Click It or Ticket" campaign from November 18 – 25, 2023.

Remember: Buckling your seat belt is more than a suggestion — it's the law.
