

At approximately 8:00 am this morning, Entergy began moving a large piece of equipment from Avondale to the Waterford 3 Nuclear Plant in Taft. There will be a long convoy with this operation. There will be impacts to those traveling through Luling, Boutte, Hahnville, and Taft due to necessary road closures along the route. The transport will arrive at the St. Charles Parish line from Jefferson Parish at approximately 11:00 am and reach Waterford 3 at approximately 8:00 pm. The times could change if there are any delays in moving the equipment.

The planned route of travel is below:

Highway 90 @ the parish line to LA 52 (Paul Maillard)

LA 52 to LA 18 (River Road), Luling

LA 18 to LA 3160, Hahnville

LA 3160 to LA 3127, Hahnville

LA 3127 to LA 3141, Killona

LA 3141 to LA 18, Killona

LA 18 to Waterford 3, Taft

Please expect delays and have patience!!
