## 2024 ANNUAL UCR CRIME STATISTICS REPORT – ACHIEVEMENT OF THE SECOND LOWEST CRIME RATE IN 28 YEARS

Sheriff Greg Champagne is pleased to announce that 2024 marked the second-lowest crime rate in 28 years for the St. Charles Parish Sheriff's Office. Although there was a slight increase in crime during 2024, it remains the second-best year overall for crime reduction. Notably, there was a significant decrease in homicides, with only one reported this year. The individual arrested in connection with the homicide is currently in jail, awaiting trial for second-degree murder after the death of his domestic partner. This achievement is a testament to the collaborative efforts of our law enforcement agency, community organizations, and the citizens of St. Charles Parish.

As we celebrate this achievement, we must remember that ongoing vigilance and collaboration are vital for maintaining and enhancing our safety. Thank you to the dedicated men and women of the St. Charles Parish Sheriff's Office who have contributed to this remarkable success. Let us continue working together toward a safer community for everyone.
